

3rd GREENERING Entrepreneurship course

The third **GREENERING** Entrepreneurship course will be held at Faculdade de Ciências e Tecnologia, Universidade Nova de Lisboa, Caparica (Portugal), between the **26th and 28th of September 2023**.

We invite all of you to participate.

The course is addressed to all PhD students and post-doc/junior researchers that want to transfer the technology they are working on into industry or just want to learn about entrepreneurship and technology transfer into industry.

The participants will be organized into teams of ca. 3 participants with one technology. The participants can come already organized as a team or not.

The Participants will be granted up to 350 EUR, of travel expenses plus 100 EUR of daily allowance which includes 1 day before and after the course for traveling (max. 500 EUR).

You can register in the following link:

https://forms.office.com/Pages/ResponsePage.aspx?id=olB-ribt90G9dfSWg_JDOooGB1ODoM9IqVcYdThe1aFUNjkyRihMNU44WDROSIJJOTV SWEVWOFNXNC4u

The Schedule of the course will be:

26th of September - Module 1: **Technology transfer into industry and idea generation**

27th of September - Module 2: **Market and Business model development.**

28th of September - Module 3: **Elevator Pitch and final presentation.**

The course includes both tutorial and hands-on lectures.
