## *COST ACTION GREENERING – DATA COLLECTION*

---

**First name, Family Name: Prof. Dr. Moritz Venschott**

**Type (Academic or Industrial): Academic**

**Country:** Germany

**Leadership position in the COST:** MC Substitute

**Working Group in which you are involved: 1**

**E-mail: moritz.venschott@iu.org**

---

**Laboratory/Company:** IU, International University of Applied Science

**Laboratory/Company info (limited to 400 characters):**

**Link to the home page of the Laboratory/Company:**

<https://www.iu-university.org/iu-dach/?referrer=iu.org>

**Fields of expertise (limited to 400 characters):**

- Chemical Process Engineering
- Heterogeneous Catalysis
- Technical Chemistry
- Mechanical Engineering

**5 Main publications or patents:**

- Acylation of anisole with acetic anhydride over ion-exchange resins. M. Eisenacher, M. Arend, M. Venschott, W.F. Hölderich, Curr. Top. Catal., 2020, vol. 14, pp. 39-53
- Method of acylating an aromatic compound. M. Eisenacher, M. Arend, M. Venschott, W.F. Hölderich, WO2015001032, DSM Nutritional Products Ltd., Publication 08.01.2015
- Process for continuous preparation of lactide directly from concentrated lactic acid. M. Venschott, W.F. Hölderich, WO2013160485, Uhde Inventa Fischer GmbH, Publication 31.10.2013
